s the future, and I am a complete supporter of them and their mission.

That is not to say I do not occasionally wince when I read some of Elon Musk's infamous twitter rants or troll rebuttals, but nevertheless, my support is steadfast.

With that and for anyone in the market for a Tesla and interested in no strings attached **free unlimited** supercharging, clicking the Model X image below will link you to Tesla and embed my referral code such that you will receive just that.

In exchange, I *may* receive a signature wall charger, kids Model S, Powerwall, or some other nice perks for current Tesla owners. You can see the entire program overview
